

Patch Panel Hinge Kits

Access the back of your
patch panels.

FEATURES

- » Constructed of 16-gauge steel.
- » Use with any rackmount panel for easy and quick access.
- » The black steel hinge mounts between one end of your patch panel and a standard EIA rail. The other end of the patch panel mounts to the opposite rail.
- » For convenient maintenance or modifications, just unscrew the patch panel mounted to the rail and swing it out.
- » Choose from 1U to 4U hinges.
- » Guaranteed for life!
