

# Cat6 UTP Solid PVC Flay Under Carpet Cable- White- Per FT

Part No. 86-600-205 WH

## Undercarpet Copper Cable, category 6, 4-pair, 8 conductors, unshielded, 250 ft, white

- Exceeds TIA/EIA and ISO specifications for Categories specified
- Exceeds all requirements for Gigabit Ethernet
- Leadfree jacketing

Portfolio	
Product Series	Undercarpet
Product Type	Twisted pair cable
Regional Availability	North America

Conductor Material	Bare copper
--------------------	-------------

Cable Length	76 m   250 ft
--------------	---------------

ANSI/TIA Category	6
Safety Voltage Rating	300 Vac

Safety Standard	UL
-----------------	----

Cable Type	U/UTP (unshielded)
Pairs, quantity	4
Application	Residential
Jacket Color	White
Conductor Gauge, singles	24 AWG

**Agency**  
RoHS 2011/65/EU

**Classification**  
Compliant
