

# Pretium® Wall-Mountable Housing (PWH)

Holds 12 CCH connector panels

CORNING

Corning Cable Systems Pretium® Wall-Mountable Housings (PWH) provide interconnect or cross-connect capabilities between the outside plant, riser, or distribution cables and the opto-electronics and are designed to hold Plug & Play™ Universal Systems modules. Available in two, four, six and 12 panels, the rugged metal housings can be wall-mounted in main cross-connects or telecommunication rooms.

Units accept standard CCH connector panels and modules and include jumper routing guides and a bracket for securing buffer tube fan-out kits. The optional cable strain-relief kit (PWHSTRNRLF-KIT) is designed for easier installation and the standoff bracket (PWH-STDOFF-BKT) extends the PWH from the wall to allow cable routing behind the housing. Brackets can also be stacked to increase the amount of space for routing. An optional field-installable lock kit is available for additional security.

## Features and Benefits

### Rugged metal construction

Durability

---

### Drop-down front door

Allows for temporary workshelf

---

### Jumper routing guides

Easy fiber management

---

### Interconnect and cross-connect capabilities

Variety of applications

---

### Field-installable lock kit (optional)

Additional security

---

### Splice tray holder (optional)

Easier field splicing

## Specifications

General Specifications	
Application	Enterprise Networks
Mounting Type	Wall-Mountable
Product Type	Wall-Mountable Hardware

  

Design - Hardware	
Housing Color	Gray
Housing Type	PWH
Locking Availability	Provider door
Maximum Number of Panels per Housing	12
Panel or Module Type	CCH
Splice Tray Options	4 category 4 R

  

Mechanical Characteristics	
Dimensions (HxWxD)	36.6 cm x 82.6 cm x 13.5 cm (14.4 in x 32.5 in x 5.3 in)

  

## Ordering Information

Part Number	PWH-12P
Product Description	Pretium® Wall-Mountable Housing (PWH), holds 12 CCH connector panels

  

## Shipping Information

Units per Delivery	1/1
Shipping Weight	10.9 kg (24 lb)
Package Contents	Housing; installation guide; 12 blank panels; unit ID label; self-adhesive edge grommet 30-in; 2 central strength member strain-relief kits; 6 1/8 x 4-in tie wraps

# Pretium® Wall-Mountable Housing (PWH)

Holds 12 CCH connector panels

The logo consists of a solid blue square with the word "CORNING" in white, uppercase, sans-serif font centered within it.
