

SLIM - HDMI

Features

- 1080p/60Hz Verified
- Gold Plated Contacts
- RoHS Compliant
- Available in Lengths of 3', 6', 10'

Why Use The SLIM-HDMI

These new SLIM-HDMI cables offer a compact and flexible option opposed to the standard HDMI cable, which can be difficult to use in a tight bend radius. These innovative HDMI cables offer support for 1080p/60Hz. In addition to the SLIM-HDMI cables Covid also carries a variety of other HDMI cable solutions including Plenum HDMI Cables, Fiber Optic HDMI Cables and Non-Plenum-High Speed HDMI cables.

Compare to standard HDMI Cable

Perfect solution for tight bend radius and narrow rack applications
